An EXTEMPORE PARODY,

By an ANTIGALICAN,

On a late extraordinary AFFAIR.

O Ye empowered to ſupport the D——!
Cruſh, Cruſh your Enemies, the Friends of Britain:
Baniſh low Thoughts of Juſtice from your Breaſts,
And fix your Eyes on Plutus' tempting Shrine:
To that lov'd God, be all your Vows preferr'd;
Boldly regardleſs of what Mankind thinks;
Of Courage, Honour, Truth, and Patriotiſm;
So ye prove Great thro' poor *Britania*'s Ruin.
Curſe on the Stripling, how he apes his Sire!
Inſatiably fond of Caſh; blaſt the Tongue,
Immortal Powers! that ſpeaks againſt its Country.
